Dear Rob

"ACCOUNTING PRACTICES DON'T ADD UP" WORKSHOP

A quick note to say thank-you and to congratulate you on yet another insightful and motivating workshop and for helping us to move Kidmans Partners to the next level in our internal operations and client service offerings.

Our Leadership group of nine attended yesterday's "Accounting Practices Don't Add Up" workshop in Melbourne, and the feedback to date has been very positive.

We have today had a post-mortem meeting with the Leadership team and implemented immediately the "Change/Future Book" concept.

We are also analyzing how many projects our Top 20% of clients are purchasing from Kidmans Partners, and are developing a "roll-out" plan to enhance the number of projects being serviced to these Top 20% of clients.

We are confident that working with the ideas and strategies that we learnt at your workshop yesterday, we will be able to enhance the profitability at Kidmans Partners, and move towards the benchmark of the high-performing firms within your network.

Yours Faithfully,
KIDMANS PARTNERS PTY LTD
Accountants & Advisors
